## **Customization**

## **Quarto documentation**

Quarto allow many bells and whistles to make nice output. Read the documentation here Quarto documentation.

## **Examples**

Looking at other people's Quarto code is a great way to figure out how to do stuff. Most will have a link to a GitHub repo where you can see the raw code. Look for a link to edit page or see source code. This will usually be on the right. Or look for the GitHub icon somewhere.

- Quarto gallery
- nmfs-openscapes
- Faye lab manual
- quarto-titlepages Note the link to edit is broken. Go to repo and look in documentation directory.
